President John F. Kennedy often said, "Things do not just happen, they are made to happen." These words have encouraged me to step forward to serve our community to the best of my capability. With great humility I have expressed an interest in completing John Autry's remaining term in the Charlotte City Council.

On the day of Christmas, I wish to thank you for your faith and trust in my ability to serve on Charlotte City Council. The appointment application process started earlier this month and it will close on January 2nd, 2017. I have now officially filed to be appointed, with the support and endorsements of a number of key local leaders and organizations.

I would specially like to convey my deep gratitude to these key supporters for their encouragement and endorsement:

These prominent citizens represent a diverse group of leaders in our city and our community, and I am truly honored to earn their support. I will be equally honored to win your endorsement for this important role of service. Please contact me via email or call and I will be happy to discuss the next steps with you.

I want to leave you with my promise that I will treat each decision on the Charlotte City Council with seriousness, absolute focus and fairness to all involved. Looking forward to being your voice on Charlotte City Council.

Happy Holidays to you and your loved ones, and best wishes for a great new 2017!

In your service,
