Hello!

I do hope that everyone is doing well this lovely afternoon. If you are reading this message Govan - Hunt Staff Development, LLC is soliciting your services, expertise, and support. :-) We have thought long and hard about this and is seeking out the "cream of the crop".

We are in the midst of planning our 5th annual independent part day Superwoman conference that will take place at Robinson Presbyterian Church. We are looking for individuals that may be willing to work with us to make this event spectacular. We are reaching out to those with special talents, those with strong presentation skills, those with the ability to "reach" an audience in need of encouragement and appreciation, and those with a voice. We are also reaching out to those of you who may just want to be recognized as a vendor with a small booth.

Our goal for this part day conference is to provide an opportunity of refreshment for all of our Superwomen. We want to provide a platform that emphasizes gratitude, understanding, appreciation, health, wellness, financial health, healthy relationships, love & sex, and work. We will offer 2 very special session for our early childhood educators that focuses on thriving in the field and advocacy. This day will begin at 9:30 am and end at 3:30 pm. We will offer 2 keynotes and four small break out sessions offering various topics. The date for this event is June 3rd of this year and our target audience is 150- 200 women. We provide live performances, breakfast, lunch, and vendors for our participants.

We would love to work with you! Please respond to this message if you are interested in participating. Let us know what you would be interested in sharing or if you simply desire to set up a vending booth.

Thank you for your time in reading this and for your timely response. We can't wait to hear from you so that this very powerful program can be put together. If you have any questions please do not hesitate to call Devonya at the number below!

Have a great day!
