Vinroy

REID

COUNCILMAN DISTRICT #5

**EDUCATION, ECONOMIC OPPORTUNITY,
ECONOMIC DEVELOPMENT**

Over the past three decades Vinroy has worked tirelessly to contribute to the development of the east side. He is the founder of Youth Hope International; a not for profit trade school that he has been working to build. This institution would give youth residing in District 5 training to master a craft or trade. This would be essential to enable teens and young adults from all backgrounds to get an opportunity to have an employable skill and give them the ability to provide for themselves and their families.
