CHILDREN'S FAIR

HOW TO GET INVOLVED

For the past 14 years, Camino Community Center has hosted our "Back to School" Children's fair - and for 14 years, we haven't been able to do it alone. We need community leaders and partners like YOU to get involved in the following ways to make this year the best year yet:

DONATE BACK PACKS

On average, we distribute over 1,000 back packs to children in Charlotte. This year, we want to give away over 1,500! We rely on donations and encourage you to individually donate or host a back pack drive with your organization.

SPONSOR THE EVENT

Because we serve thousands of community members in a single day, we need sponsors to make this event possible. Consider giving financial or in-kind donations to make this event a success!

VOLUNTEER

This event requires on average 150 volunteers to run smoothly. Get involved and be a part of the day by giving your time!!

Let us know how you would like to get involved by contacting Tina Bolon at tinab@caminocommunitycenter.org.
