### Rep. Adams' Statement on the Administration's Medical Deferment Policy Change

**Washington, DC** – Congresswoman Alma S. Adams (NC-12) released the following statement on President Trump's unannounced policy change to restrict USCIS from processing medical deferments for migrants.

“This decision is another hateful and mean-spirited display from this Administration, that was accompanied with no public mention or notice. I join my colleagues in urging an immediate reversal of this policy and resume consideration of these deferments, which for many is a question of life and death. I will continue to stand with our immigrant community in fighting against this Administration's cruelty.
