

HAVA Heart!

Release the Funds for Early Voting

Republican legislators have frozen a bank account with \$4 million that would help our elections run smoothly!

The money would go to:

- help counties open Early Voting sites
- train poll workers
- make polling sites accessible for people with disabilities
- upgrade and test voting equipment

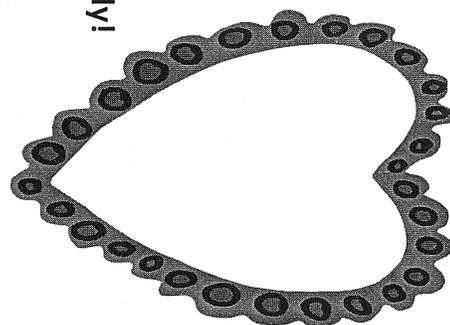

The \$4 million is from the Help America Vote Act (HAVA) and it's already here in a bank account. But Republican leaders refuse to provide \$660,000 in matching money to the State Board of Elections that would release the HAVA funds!

Meanwhile, GOP leaders want to make voting harder. They want to block honest voters with a photo ID requirement, reduce the Early Voting period and end Same Day Registration.

Now they could turn NC into the Florida Fiasco of 2012.

Call 919-733-4111 and tell GOP leaders Thom Tillis and Phil Berger to Release the HAVA funds NOW!
