

## TO Those Who

*SEEM TO BE SO MAD AT PRESIDENT OBAMA,  
FOR NO GOOD REASON, PLEASE READ THIS  
AND REFLECT A MOMENT... THEY WOULD SAY:*

*"HMMMMMMMMMMMM... YOU ARE RIGHT!!....."*

Now, since President Obama's regime, all of a sudden, folks have gotten mad, and want to take America Back...BACK TO WHAT/BACK TO WHERE is my question?

I am voting for PRESIDENT OBAMA no matter what. He should get 8 years in term, because he IS CHANGING America and we all know why THEY don't like it! If Obama wasn't Black, they would be praising and thanking him.

After The 8 Years Of The President Bush/ Vice President Cheney Disaster, Now You Get Mad?

You didn't get mad when the Supreme Court stopped a legal recount and appointed a President.

You didn't get mad when Vice President Cheney allowed Energy company officials to dictate Energy policy and push us to invade Iraq .

You didn't get mad when we illegally invaded a country that posed no threat to us.

You didn't get mad when we spent over 800 billion (and counting) on said illegal war.

You didn't get mad when President Bush borrowed more money from foreign sources than the previous 42

Presidents combined.

You didn't get mad when over 10 billion dollars in cash just disappeared in Iraq .

You didn't get mad when President Bush embraced trade and outsourcing policies that shipped 6 million American jobs out of the country.

You didn't get mad when they didn't catch Bin Laden.

You didn't get mad when President Bush rang up 10 trillion dollars in combined budget and current account deficits.

You didn't get mad when you saw the horrible conditions at Walter Reed.

You didn't get mad when we let a major US city, New Orleans , drown.

You didn't get mad when we gave people who had more money than they could spend, the 1%, over a trillion dollars in tax breaks.

You didn't get mad with the worst 8 years of job creations in several decades.

You didn't get mad when over 200,000 US Citizens lost their lives because they had no health insurance.

You didn't get mad when lack of oversight and regulations from the President Bush Administration caused US Citizens to lose 12 trillion dollars in investments, retirement, and home values.

You finally got mad when a black man was elected President and decided that people in America deserved the

right to see a doctor if they are sick. Yes, illegal wars, lies, corruption, torture, job losses by the millions, stealing your tax dollars to make the rich richer, and the worst economic disaster since 1929 are all okay with you, but helping fellow Americans who are sick... Oh, Hell No!

**PLEEEASE----**circulate this everywhere---people need to be reminded!!!! 2012 is a good year for them to remember!

Let's get as passionate about re-electing our wonderful hard working President Obama as we were when we got him elected! Don't get complacent and don't take for granted he will easily be back in office. Let's all get busy starting the work today!!!! We have to get out and VOTE like we did 4 years ago...if we want to keep President Obama in office. Don't think for one minute that your Vote doesn't count!

"Nothing in the world is more dangerous than sincere ignorance and conscientious stupidity"

~ Dr. Martin Luther King, Jr.~

**PS. This one definitely needs to be circulated to everyone on your mailing list!**

**Let's use the computer to help our chosen President. LETS GET STARTED, RIGHT NOW!**

Rhetorical Question: How can you "take back" a country that you never lost or had taken away from you? And, speaking of "taking back," what if Native Americans (or so-called Indians) got mad and decided to "take back" THEIR COUNTRY? HMMMMMMMM perhaps some of these Tea Party-minded folks, metaphorically, would be "up a creek without a paddle."
