In response to the N.C. legislature's recent attempt to block Medicaid expansion, the Rally for Health Justice will bring together advocates from the healthcare, legal and business sectors to discuss the benefits of Medicaid expansion for our community and all of North Carolina. To protect North Carolinans' health, economy and pocketbooks, all of us need to make our voices heard now so our governor and legislators do the right thing for North Carolina.

#### SPEAKERS

Douglas Sea, senior attorney at Legal Services of Southern Piedmont  
Don Jonas, executive director at Care Ring  
Local physicians, small business owners and clients
