

**“Changing the world... one family at a time”**

Sometimes the only difference between an A+ student and a failing student is having basic supplies to do homework and participate in class. After the basic needs of the family are met, school supplies may be difficult to buy or in some cases impossible. Genesis Project Family Wellness Center, Inc. works hard at providing, when they can, for families in the community.

One of our programs, T.O.U.C.H.E.D., is hosting a Back to School Health & Wellness Fair and Basketball Jamboree on Saturday, August 17th, 2013 from 1pm to 4pm at Camp Green Park in Charlotte, NC. Families can come out to get a plethora of information, free school supplies, backpacks, dental screenings, health screenings, hair cuts, learn about basketball and/or participant in several basketball games.

All are welcome to come out! School supply donations are greatly needed to help make this event a great success.

You can help in several ways...

One way we help, is to collect new school supplies. We are approaching that time of year again where we want to help children prepare to go back to school with all of the necessary supplies.

Items Needed:

Back Packs  
Pack of pencils  
Rulers  
Packs of Lined Paper (wide ruled)  
Box of Crayons  
Highlighters  
3-ring 1", 2", or 3" binders  
Notebooks  
Composition Books  
Glue sticks  
Pack post-it notes  
Folders  
Pack of pens  
Pair of Scissors  
Pack of colored pencils  
Pack of markers

\*\*Please purchase a minimum quantity of at least 5 items except back packs\*\*

Monetary donations are welcomed! Sometimes people's schedules don't allow them time to run out to purchase supplies but would like to donate. All check donations are to be written out to Genesis Project Family Wellness Center. Please put in the memo of check "Back to School Drive."

Warmly,  
Ms. Azizah S. Hawkins BA, QMHP  
Community Initiatives Coordinator
