Mission

To assist women raising school-age children in fulfilling their dream of earning a college degree, while creating the desire, the expectation, and the priority of a college education for their children to follow in their footsteps.

ANSWER is a non-profit fund housed at Foundation for the Carolinas. We invite you to learn more about our work at <http://answerscholarship.org>

If you like what you see, and if you've experienced the power of education in your own life, make a tax-deductible donation to ANSWER today. You can help more women achieve their dream of a college education.
