Impact3 Demo Day *Creating Our Ideal Economy*

What does it look like when our community works together to maximize its human, environmental and economic assets?

Find out at the 2014 Impact3 Demo Day.

Demo Day is the culmination of our Impact3 program for high-growth, high-impact entrepreneurs and showcases the ideal economy at work in Charlotte. Join us at the Neighborhood Theatre in NoDa on June 4 to see how Charlotte is leading the region in social innovation and economic development. **1-3 PM:** Meet the Impact3 Cohort and organizations like *Code for America*, *Sustain Charlotte* and others that are moving Charlotte forward in the 21st century.

3-5 PM: Our 7 Companies are balancing a triple bottom line of People, Planet, and Profit to create a better future. They get 5 minutes to pitch their vision and convince you to join the evolution!
