### West Tyvola Rd. Sidewalk Update

At the beginning of 2012 a terrible accident happened that claimed the lives of 2 small children. With the assistance of the community and the City of Charlotte staff I am proud to update you all that the addition of a new completed sidewalk is **85%** complete. The contractor expects to have all of the sidewalk and storm drainage complete by the first of next week then on to the construction phase of the retaining wall at the corner of West Tyvola/West Blvd. Next will be seeding and mulching with an expected completion date of June 30, this is **3 years** ahead of the anticipated timeline.
