Please attend the September 22nd City Council Public Forum to support the advocates speaking on Charlotte's need for an anti racial profiling ordinance. There will also be advocates expressing their desire for Charlotte tax money not to be used for the civil defense of Randall Kerrick for the murder of Johnathan Ferrell.

Please help us fill the chamber. When you RSVP, please let me know how many people you can bring with you We need everyone there by 5:30pm.

Thanks,
