Hi Mr. Johnston,

We would like for you to inform the community regarding our upcoming SCD Run/Walk for Sickle Cell Awareness Month.

Thank you so much.

Azizi Morton

Piedmont Health Services
and Sickle Cell Agency

September 2014

Everyone:

Piedmont Health Services and Sickle Cell Agency is the primary state approved agency providing sickle cell (non-medical) services in Mecklenburg County. Our services include sickle cell patient identification and follow-up, case management and support services, patient education and community education. Our goal is to improve awareness of sickle cell and provide support to individuals (over 800) and their families in the area who suffer from this chronic condition. We need your help.

The first Annual Sickle Cell Run/Walk will be held on Saturday, September 20, 2014. This event will help to raise sickle cell awareness and raise funds to support individuals and services in Mecklenburg County. The Walk will begin at 8:00 AM from The Dog House, 401 W. Morehead Street. Registration begins at 6:30 am.

Please support this fundraising effort by sponsoring a Sickle Cell Run/Walk Team from your organization and/or church. You can support a team of 10 individuals for \$200 or individual registration is \$25. Enclosed is a Registration form; please appoint a team captain and recruit at least 10 individuals to walk. Please email the name and contact information of the Team Captain to our office no later than September 16th, to Azizi Morton, amorton@piedmonthealthservices.org or call (704) 910-2002. Visit our website at www.piedmonthealthservices.org or call our office to request education.

Remember that September is National Sickle Cell Month (flyer enclosed). You may support patients by taking an offering or making a donation. Thank you for your cooperation.

Sincerely,

Gladys A. Robinson, Ph.D.
