I am pleased to inform you that the Entrepreneur High School (EHS) - the first vocational-technical and business charter school of this type in Charlotte - has **OPENED**. It is a public school with no tuition that is focused on preparing students for a well-paying professional job upon graduation or for starting their own business.

Objective

Our objective is to provide our students with another pathway to obtaining a high school diploma that focuses on career-readiness with the option to continue with a college education. The initial programs taught at EHS include:

- Automotive
- Construction (Carpentry, Drafting, Electrical, HVAC, Plumbing, Masonry)
- Manufacturing (CNC Machining, Mechatronics, Robotics)
- Culinary Arts
- Health Professions (Nursing, Forensics, Emergency Medicine)
- General Business (Office Management)

For more information, please visit our web site www.EntrepreneurHighSchool.org. Our graduates will be industry-certified and equipped with the technical and business skills that will allow them to go to work or start a business after high school.

How you can help

I would appreciate it if you could spread the great news about this educational alternative for students who want to get a head-start on their career and encourage them to **ENROLL NOW**. Please forward this message and the attached flyer to your mailing lists.

Interested students, in particular ages 14-17, or their parents can still ENROLL ONLINE on our website www.EntrepreneurHighSchool.org by **September 20th**; or print the form below and mail it to the posted address; or simply call 704-906-2900 to schedule an appointment.

If you have any questions, please call me at 704.232.2096.

Thanks for your help.

Best regards,

Robert Hillman
