# IMMEDIATE PRESS RELEASE

## Press Release

---

After twenty years, the former South Tryon Presbyterian Church members are reunited to form the new South End Presbyterian Church.

Twenty years ago members of South Tryon Presbyterian Church at 2516 South Tryon Street separated. Half of the members moved to Wilann Drive to form the Bread of Life Christian Ministry. The other half of the members eventually moved into Clanton Memorial Church on Freeland Lane.

In addition to having new members join both churches; this reuniting brings back together mothers, daughters, sons, uncles, nephews and friends. To celebrate this joyous occasion and our one year anniversary, the new South End Presbyterian Church is sponsoring a **Grand Celebration on Saturday, September 27, 2014** from 12:00 until 3:00 p.m. There will be a Peace and Unity in the Community **parade** that starts at 11:00 a.m. at South Tryon Community Church at 2516 South Tryon Street and ends at South End Presbyterian 335 Freeland Lane, the 4000 block of South Tryon Street. There will also be fun, food, fellowship, flea market and health fair. The South End Presbyterian Church will continue the celebration with an **Inauguration Ceremony** on Sunday, September 28, 2014 at 3:00 p.m.

The new South End Presbyterian Church is working to reach all other churches, communities, organizations, businesses, including the South End community to continue its growth, ministries, preaching and teaching. South End Presbyterian Church is working to be an important part of the total South End Community. We want to make sure that the South End Community understands that we are reaching out to be a part of the total community, whatever it takes.

We are having our Inauguration Celebration and invite the total South End South Boulevard Community to be involved. We would like the residents, the churches and the businesses to participate and join in with our celebration. Any part of the celebration would be great. Any and all can participate in the parade. We will have an early morning "Flea Market". Businesses can come and market their products and businesses. Churches can also set up and be a part of our "Unity in the Community Parade". Residents can be a part of the complete event, Flea Market, Unity Parade and the ongoing celebration of the weekend.

South End Presbyterian Church is a new entity in the South End Community. We want it to be known that we want to be an involved entity of the South End Community. We want to make sure that the South End Community knows that we are there and we are willing to do what ever it takes to know that we want to be a total involvement with South End.

Please put us on the mailing list for events. Put South End Presbyterian Church on the list of meeting places for needed events. Have us on the list for things, ideas and needs in the South End Community.

Peace and Unity in the South End Community  
is what  
South End Presbyterian Church
