## SHARING *the vision*

### THE CULTURAL VISION PLAN WILL FOREVER CHANGE

*the way we experience art, science and history in Charlotte-Mecklenburg.*

Our vision is for a future in which opportunities to create, participate, be involved in, learn from and enjoy art, science, history and cultural expression will be more abundant than at any other time in our history. Culture will play a more central role in enlivening, engaging and enriching all of Charlotte-Mecklenburg's communities, helping to build strong bridges and increase dialogue, understanding and tolerance.

### THE CULTURAL VISION

**IS FOR YOU.** *For your family.*

### FOR YOUR COMMUNITY.

*For the future we all envision.*

Let's see it through together. Find out how.
