✓ Streets ✓ Housing ✓ Neighborhoods

City of Charlotte Bond Referenda on November 4 Ballot:

\$110.96 million for streets: Fund street and intersection projects, upgrades to traffic control system, repairs to and replacements of bridges, construction of new bridges, initial development of Cross Charlotte Multi-Use Trail and measures to improve pedestrian safety.

\$15 million for housing: Provide affordable and well-maintained housing for low- and moderate-income individuals and families that addresses a continuum of housing needs – from homelessness to homeownership.

\$20 million for neighborhoods: Improve infrastructure – such as sidewalks, streetscape, curbs and gutters, storm drainage, landscaping and pedestrian lighting – in the city's older neighborhoods and emerging high-growth areas.

VOTE

Yes FOR CITY BONDS

Improving Charlotte.
Connecting People.

This November, there will be three referenda on the general election ballot that ask voters in the city of Charlotte for approval to issue bonds worth \$145.9 million.

STREETS

TOTAL \$110,964,000

Bonds on this year's ballot to provide funds for the following upgrades and improvements:

- **East/Southeast Corridor (\$12.5M)** – land acquisition and street connections surrounding the redevelopment of Bojangles' Coliseum/Ovens Auditorium
- **Northeast Corridor (\$47.2M)**
 - Research Drive to J.W. Clay Boulevard connector over I-85 (north bridge): planning and design of bridge
 - IBM Drive to Ikea and University Pointe boulevards connector over I-85 (south bridge): construction of bridge
 - Northeast Corridor Infrastructure (NECI)
 - Applied Innovation Corridor: Streetscape along Graham Street and Matheson Avenue, Woodward/24th Street connection and Tryon Street connectivity
- **Road Infrastructure Projects (\$17.2M):** Neighborhood transportation programs and construction and infrastructure surrounding the Eastern Circumferential (from Hanberry Boulevard to Back Creek Church Road).
- **Cross Charlotte Multi-Use Trail (\$5M):** Planning, design and land acquisition for the 26-mile trail that will connect the county's system of greenways.
- **Sidewalks and Pedestrian Safety (\$15M)**
- **Traffic Control and Bridges (\$14M)**
 - Upgrade traffic signal system coordination
 - Upgrade traffic control devices
 - Replace and repair bridges

AFFORDABLE HOUSING

TOTAL \$15,000,000

Bonds on this year's ballot to go to the Charlotte Housing Trust Fund, leveraging private investment dollars, and will provide affordable and well-maintained housing for low- and moderate-income individuals and families in the Charlotte area.

- Multi-family new construction and rehabilitation
- Homeownership development in targeted neighborhoods
- Housing for seniors, disabled and homeless populations
- Acquisition of properties for developing mixed-income communities

NEIGHBORHOOD IMPROVEMENT

TOTAL \$20,000,000

Bonds on this year's ballot to fund capital projects and address immediate infrastructure needs in our city's older neighborhoods and emerging high-growth areas.

- Support the Comprehensive Neighborhood Improvement Program (CNIP) to improve our neighborhoods showing signs of distress.
- Link neighborhoods with employment centers, parks, transit and schools.
- Connect streets, sidewalks, trails and bike lanes to enhance existing community assets and provide more mobility/transportation options.
- Leverage investments to maximize public/private partnerships.
