Hello!

We met at the Tuesday Morning Breakfast Forum at the end of last school year. My colleague, Paige Laurain and I spoke at the forum regrading a new program we have started at West Charlotte High School, The GPS (Global Perspective Studies) Program. We are taking 40 sophomore students to the Dominican Republic at the end of this school year, for a sustainability-based service learning project. Our students will be working with the orphaned population in the village of Monti Cristi, to promote literacy, educational, environmental, and economic sustainability. We are still moving forward with our fundraising efforts for this trip, and THIS THURSDAY, October 9th, we are having a Fundraising Spaghetti Dinner, at West Charlotte, from 5-7:30pm. Tickets are \$6 before, and \$8 at the door.

Our students have put alot of hard work into making this event happen, and it would mean so much to them to have community members attend and show their support for this initiative! If you have any further questions, or need more information feel free to email me! Hope to see you there! :)

Thanks so much!
