**JUSTICE Cheri  
BEASLEY  
NC SUPREME COURT**

Dear Friend:

I want to thank you again for your help and support in my re-election bid to the North Carolina Supreme Court. I am overwhelmed by your generosity and commitment – and by the confidence you have shown in me.

Despite having to contend with tens of thousands of dollars in dark money spent to benefit my opponent, we are leading the vote count by just under 4,000 votes – out of almost 2.5 million votes cast. While I am delighted to be leading, I cannot take anything for granted. There are still provisional and absentee ballots to be counted, and [my opponent has already indicated that he will call for a recount by next week's deadline](#).

I have had to retain legal counsel so that my campaign's interests can be protected and to ensure that every legitimate vote is correctly counted. I really hate to ask, but I must ask you to help me one more time. [Please help me bring this victory home by making a contribution today!](#)

I know I can count on you. Thank you so much for your continued support. [Please give what you can.](#)

Thank you so much.

Cheri Beasley
