Greetings Charlotte Community:

We are writing with an important announcement about the New Leaders Charlotte Team. Effective Monday, November 17, 2014, Paul Barnhardt will be rejoining the team as the Managing Director of Program!

In this capacity, Paul will work closely with our local program directors to ensure that NL program participants are highly prepared to achieve significant gains with their students. Paul will also collaborate with key local stakeholders to maximize the work of New Leaders in an effort to drive student achievement. Additionally, in the coming months, he will play a critical role in the organization's efforts to expand our program into other districts across the state.

Paul's diverse experiences as a teacher, school leader, and non-profit leader make him a great fit for this role, as he intimately understands the challenges that face students, educators, and schools in North Carolina. He brings a deep sense of commitment to this work and truly believes that all children deserve an excellent education and are well positioned for success in life.

We are excited about Paul's new role and encourage you to reach out to him to discuss your needs or how New Leaders Charlotte can support you in the important work you are doing for children. Paul can be reached at [\(980\) 219-3819](tel:9802193819) and pbarnhardt@newleaders.org.

Sincerely,

Millard L. House II
Executive Director
