Manage Folders...

Hi everyone,

I wanted to introduce you all to my Organizing Assistant Devin Anderson. Some of you received calls from him during the election season when he served the role as our Get Out the Vote Dispatcher. Devin has a lot of experience in political organizing. He was a Deputy Director with OFA and has done some political consulting in both NC and SC. Devin is a go getter and I know that all of you will enjoy working with him.

I believe that he will help us build more power in my field area. He is high energy, funny and one of the few people that I believe can keep up with the schedule that you all and I work to bring about change in such a large and dynamic metropolitan area. When you hear from him, understand that you are hearing from me and he is reaching out on my behalf. With Devin as my assistant and Jasmine as my Democracy Fellow, we are positioned to accomplish some major change in 2015.

Thanks,

Robert Dawkins

"Engage people with what they expect; it is what they are able to discern and confirms their projections. It settles them into predictable patterns of response, occupying their minds while you wait for the extraordinary moment — that which they cannot anticipate."
