

INNOVATION CHALLENGE LATEST NEWS

What does it mean to be Food Insecure in our community?

What are the barriers to providing all Charlotte residents with ample, healthy, affordable food? We think there are innovative solutions in our community that can address hunger, food insecurity, food deserts, and healthy food choices, and we want your help to create those solutions. We are holding a series of conversations throughout our community on hunger, food access, and healthy food choices.

BE PART OF THE CONVERSATION

Join us for one of the upcoming Innovation Challenge: Plenty, Solutions for Hunger community meetings

Impact3 Demo Day
Thursday, May 21, 2015
From 5 - 8 pm
Johnson & Wales University

Demo Day is the culmination of our Impact3 12-week accelerator program for high-growth, high-impact social entrepreneurs. It is an opportunity to showcase the ideal economy at work in Charlotte, and to celebrate the progress of our 7 social entrepreneurs. Come be a part of this unique experience to get involved with innovative startups that are shaping the future of our city.

www.pechakucha.org

Queen City Forward provides a hub for entrepreneurs who have business ideas that address social needs and work to balance a triple-bottom-line of people, planet and profit. We encourage, enable and scale these social enterprises to build a robust cluster of innovation in the Charlotte region, helping to create our ideal economy.

Our Mission is to unleash the potential of high-growth, high-impact social entrepreneurs in Charlotte to create sustained economic and social impact that spurs economic development, improves the lives of citizens, and drives a new model of sustainable growth.

Queen City Forward is a non-profit 501(c)(3) organization. All donations are tax deductible.
