Saturday, June 27
9:00 a.m. - Noon

IKEA Parking lot - 8300 IKEA Boulevard

A one-stop opportunity to safely and responsibly dispose of personal items, and learn about ways we can protect the environment and sustain our beautiful city.

SHRED

Shredding companies will be on site to safely and securely shred your personal documents (up to 3 bags or boxes)* Vendors can shred paper, manila folders, and staples (no 3-ring binders). Bring materials in bags and boxes that are in good condition as old boxes and trash bags break easily. Boxes will be returned to you on site as the vendors cannot shred boxes.

* Police & Fire personnel will assist onsite shred companies to safely and securely shred your personal documents.
