No One Should Face Cancer Alone

Below is an example of why I support 24 Hours of Booty, we have ordered the guidebook for a friend: it is a remarkable resource for both patients and family. This is one of the reasons I am happy to ask for your support in raising monies for 24 Hours of Booty, the only fundraiser I partake in. [Donate now!](#)

The LIVESTRONG Guidebook

The **LIVESTRONG** Guidebook is a companion for cancer survivors as they navigate the health care system. This two-volume set contains helpful information and journal spaces that help survivors address the physical, emotional and practical concerns they may have during the cancer journey.

To order one or more physical copies of the **LIVESTRONG** Guidebook and the **LIVESTRONG** Guidebook Planner & Journal, [visit our store](#). The two-volume set is free, but shipping and handling charges will apply.

I committed to raising \$400.00, with your generous help a goal that I can attain. The monies raised are spent locally right here in Charlotte to help patients, survivors and their families, see the videos below.

So I ask you for a small donation of your choosing, no amount is too small, none is too big. Any amount is appreciated indeed! [Click here or the link below to make your contribution now.](#)

BTW - the 24 Hours of Booty is a Charlotte institution and tradition, click below to find out what it is and how your monies are used.
