State Representative Kelly Alexander will hold a town hall. The purpose of the meeting is to organize, in conjunction with the Metro Division of the Charlotte Police Department a Beatties Ford Road Metro Division Crime Watch. Citizens interested in learning how to work with CMPD in fighting criminal activity in the Beatties Ford Road Area of the Metro Division should plan to attend.

This town hall is an outgrowth of a listening session held on August 1 where Councilman Al Austin and Rep. Alexander, along with CMPD Metro Division officers listened to the concerns of citizens about crime. Citizens at that meeting expressed a willingness to organize for effective action.
