Greetings!

I was referred to you by Connie Green-Johnson who is supporting our fundraiser. In pursuit of her referral, please allow me to introduce our nonprofit.

My name is Janet Perkins, I am the CEO of Veteran Transport Services. Veteran Transport Services (VTS) is a duly organized 501(c)(3) nonprofit which is established for the sole purpose of providing transportation to blind and disabled veterans. Our primary mission is to assist disabled veterans in getting out of the house and rejoining society. We are committed to "helping those who first served us" by offering their very lives in service to this country. We should do all that we possibly can to help them in everyway possible.

On Veterans' Day, November 11, 2015 **Skydive Carolina** has partnered with us in offering our first major fundraising event -**Disabled Veteran Skydive Jump-a-thon**. Much like a walk-a-thon jumpers request support from friends and associates in order to raise funds for disabled veterans. Today, I am writing to you to request support for disabled veterans. Is skydive jumping on your bucket list? If not, perhaps you or someone you know has a deep commitment to veterans and is interested in supporting our efforts. Is it possible to advance our cause via your website or by sending a special tax deductible contribution? Any assistance that you might offer will be much appreciated.

I wish to extend many thanks to you for any support you might render for this very worthy cause. Accordingly, I have attached information about VTS and the Jump-a-thon for your perusal.

Of course, if you have any questions or concerns, please do not hesitate to contact me and please **SHARE** this information with others.

Help Support Blind and Disabled Veterans!!!

Sincerely,

Janet Y. Perkins MPA, EJD
