

## **PSA**

### **For Immediate Release:**

The Crisis Response Sub-Committee of the Charlotte-Mecklenburg Community Relations Committee announces its 5th **Expunction Clinic**:

**When:** Tuesday February 2, 2016

**Where:** The Charlotte/Mecklenburg Community Relations Committee  
700 Parkwood Ave.  
Charlotte, NC 28205

**Time:** 5:00 pm

**Sponsors:** Charlotte/Mecklenburg Community Relations Committee (CRC) and Crisis Response Sub-Committee-Council of Elders, Courthouse Self-Serve Center, Asst. Public Defenders Office, Law Office of Attorney Matt Newton, Fathers Action Network

**Why:** Over 30,000 citizens a month in NC are walking around with criminal records that prevent them from getting a "good" job, Housing, Student Loans or other 'quality of life' privileges; because of a poverty-thinking decision that may have been made when they were young, in a domestic situation or just didn't know better. Perhaps now, things have changed and that poverty-thinking person is no longer you.

### **What you**

**Need:** Just bring your "real" name, not your street name, date of birth and a contact number. Nothing else is needed. **NO COST**

**Process:** This is a 3-phase process that will first be explained at the Expunction Clinic
