

What do you think?

Council for Children's Rights would like to hear from you! We are gathering information from Mecklenburg County residents about your opinions as it relates to Charlotte-Mecklenburg student assignment and on whether you favor redrawing school attendance boundaries.

This quick four-question survey should take no more than 5-minutes of your time. Tell us what you think!

To take the survey, go to:

<https://www.surveymonkey.com/r/schoolboundaries>
