### **SICKLE CELL SUNDAY**

“Sickle Cell Sunday” is sponsored annually by Piedmont Health Services and Sickle Cell Agency (PHSSCA) in area churches to build awareness and request support to “Break the Sickle Cycle.” PHSSCA provides outreach, education, screening and case management for over 1200 clients with sickle cell disease in Alamance, Caswell, Forsyth, Guilford, Mecklenburg, Randolph and Rockingham counties. *Please ask how your church can get involved and support Sickle Cell Sunday, Sept. 18, 2016.*
