June is Men's Health Month - Men's Health is a Family Issue

US Congress acknowledges June as Men's Health Month. Per the attached proclamation, Charlotte communities join Mayor Jennifer Roberts, in the observance of Men's Health Week June 13-19, 2016.

WGIV "People Get Ready", Fathers Action Network, Inc, the Council of Elders and Ezekiel & Ruth D. Lowe Seniors Foundation are coordinating a **FREE** Men's Health Fair whose theme is "*Color Him Father*". The Health Fair is to raise awareness about current disturbing health facts for men and how we, as a community and a family, can change these statistics.

Medical, health and wellness professionals will be on hand for screening, sharing information and referring men to local physicians and alternative health solutions such as therapeutic drum circles.

Opportunities are still available for health care providers desirous of participating and vending spaces are open.

Theme: "Color Him Father"

When: Saturday June 18, 2016

Where: Little Rock Cultural Center
401 N. Myers Street (Corner of 7th & McDowell St.)
Charlotte, NC 28202

Time: 10:00 AM – 1:00 PM

Sponsors: Primary Care Medical, *Sarcoidosis* of North Carolina, Charlotte/Mecklenburg Council of Elders, WGIV "People Get Ready", Fathers Action Network, The Empowerment Center of Charlotte and Ezekiel & Ruth D. Lowe Seniors Foundation.
