

Let's Build a Community!

Getting Intentional about Housing, Education, and Equity in Charlotte

Join us for a wonderful opportunity to gather around good food, great people, and thought-provoking conversation to enhance our community using a forward-focused and inclusive approach!

Common Market South End Sunday, July 3, 2016 4:00 – 6:00 pm

What is this thing?

We're glad you asked! This is the perfect opportunity for you to join other local citizens in dialogue that focuses on:

- The roles that the CMS school board, Charlotte City Council, and Mecklenburg County Commissioners play in education
- The ways that everyday citizens can impact and support intentional school and neighborhood development
- The opportunity to gain awareness of local groups focused on these community efforts
