

Comprehensive Student Assignment Review Phase I Community Engagement Schedule

You're invited to share ideas and provide input to help inform Phase I revisions to the student assignment plan for Charlotte-Mecklenburg Schools. Sessions will be organized by high school feeder pattern and explore early ideas that may impact the 2017-2018 school year. Families whose children attend schools other than their assigned home school are encouraged to attend the session for their home school feeder pattern. **All sessions will take place from 6:30 - 8:00 p.m.**
