PITCH EVENT**

Weds. AUG.24 6pm
UNCC CENTER CITY
320 E 9th St.@Brevard

Over the past three years [City Startup Labs](#) has been working with a select group of Charlotte black male millennials as they reimagine themselves *as a new class of entrepreneurs and innovators*.

This event will be an opportunity for this latest class to showcase their ventures before a panel of judges and you, our audience. Entrepreneurs with winning business ideas will move on to CSL's incubation phase as well as receive a cash award to help propel their launch.

If you can, please join us for a night of new venture presentations, networking and light refreshments.

**Let's see your
face in the place!**
