Hello CIAA Partners,

It is with mixed emotions that I bid farewell to the CIAA family and our great partners as I pursue a great opportunity to be the Director of Athletics at Albany State University in Albany, GA. My last day at the CIAA will be Wednesday, August 31, 2016

I am truly thankful for the opportunity to work under the leadership of Commissioner McWilliams . During these last two and half years, you have been instrumental in assisting me in my role of helping Commissioner to elevate the conference to new heights. I have shared a unique camaraderie with many which I hope will continue to flourish even though I will no longer be with the CIAA. I look forward to this new position that brings forth an incredible opportunity to further my career in sports and higher education.

I do wish you and your organization much success in all its future endeavors.
