Steve,

I hope everything is well. Thank you for supporting

Profound Gentlemen! We are excited to continue our partnership with Charlotte Mecklenburg Schools and school networks across the Charlotte community to support and retain male educators of color in our community. We believe that all students, but especially boys of color, need to see consistent images of success in the classroom.

On Friday, November 4, 2016 at the Wadsworth

Estate from 6pm-8pm we are hosting our Second Annual Soiree! This year's theme is "Our Boys are People" to highlight the voices and perspective of our students. This event will highlight our success from the previous academic year, share our goals for the 2016-2017 school year, and share stories from our educators and their students. We are also asking all of our guest to wear a

We would love for you to be our guest and

share in this experience with inspiring messages, a live band, food, and spirits!
