Reading Partners Announcement

Hello!

Here is a blurb to be shared with the TMF announcements if possible.

"Did you know that about 60% of Charlotte area students are not reading on grade level?" Reading Partners Charlotte has the goal of changing this trend by utilizing a proven method of one on one tutoring throughout the academic school year to increase skills in fluency and phonics, as well as encourage students to become life long readers. We have recently kicked off a great year of tutoring, but many of our sites still have students that are in great need of a tutor. Our students are excited about learning, but without a tutor match for them, we are unable to enroll them into our program and help them achieve their goals of being able to read on grade level.

You can help us with this effort by contacting Tatiana Cleveland at tatiana.cleveland@readingpartners.org | [\(704\) 941-0525](tel:(704)941-0525) to find out how to join us as tutors. Also, please visit www.readingpartners.org to learn more about our mission! Thank you!"

Thank you so much for your help!
