

REFER A FRIEND

Every new tutor means another student has a reading partner. Help us spread the word and build our tutor community by referring your friends to volunteer.

**STUDENTS ARE
WAITING**

HERE'S HOW YOU CAN HELP

1

Bring a friend. Invite a friend or two to your next tutoring session to see the program in action. Once they see you working with your student, they're sure to sign up!

2

Show us love on social media. One great way to share your experience is by posting on social media and reposting from Reading Partners—like, share and spread the word. Find Reading Partners on Facebook, LinkedIn, and Twitter.

3

Refer your company or place of work. Many companies have volunteering policies and are looking for more ways to get involved in the community. Check in with your workplace, distribute flyers, and see how you might engage your co-workers as reading partners!

4

Connect us to your community. Are you a member of a church, fraternity/sorority, club, or other organization that may be interested in volunteering? Introduce us to your networks, and we'll provide materials and information about getting started.
