Dear Sarah,

**Happy Holidays  
From WIE**

Our 10<sup>th</sup> anniversary year has been filled with milestones and we are grateful for your past support. Our success would not have been possible without the generous contributions made by our members, sponsors, partners and donors. Please consider adding the Women's Inter-Cultural Exchange to your holiday giving plans this year. With your support, WIE can continue to make great strides in building the cross-cultural trust so critically needed in the Charlotte region.

Hundreds of community citizens were impacted through over 15 programs and events this year including community dialogues, Mentoring Across Difference, etc. Each of these programs was designed to be highly collaborative and to advance our mission of building trust across race and culture.

Over 350 patrons celebrated our 10<sup>th</sup> anniversary on October 7<sup>th</sup> at the Ritz Carlton where we honored three Trailblazers - Joan Zimmerman, Venessa Harrison and Sally Robinson. A unique part of the evening involved audience feedback in real time to assess views on race and culture.

What is next? There are many exciting opportunities on the horizon that have been developed through highly collaborative partnerships. In particular, we are seeking to expand our highly successful Cross Cultural Chats and Mentoring Across Difference programs as well as our community dialogues in order to serve the needs of the Charlotte community.

With your support, WIE can continue to make great strides in building the cross-cultural trust so critically needed in the Charlotte region. [CLICK HERE TO DONATE!](#)
