Dear Friends and Mentors,

Over a year ago, I accepted the challenge to step forward to serve my community at a higher level of trust. During the appointment process, I drew strength from your friendship, knowledge and support. You helped me stay focused, and knowing that you “had my back” gave me the courage to continue this journey despite many challenges.

I am deeply humbled by my unanimous appointment to the City Council. I am very thankful for the opportunity to serve District 5. Formal swearing-in ceremony will be held on Monday, January 23rd at 6:30 PM in the main chamber at the city hall, and subsequently I will join the full council at the dais for the business meeting. I look forward to seeing you there.

I promise to serve you with passion and humility. I will continue to work hard every single day to advocate for you, and the upward mobility of all our residents. I will work tirelessly for economic opportunities, safe neighborhoods and high quality public transportation for our district. I will continue to seek your advice, guidance, and most of all friendship during this journey.

In closing, I truly respect all community leaders that filed to run for the open position, and I will work to earn their trust and support. Our collective goals must be about the betterment of our community and upward mobility for all our residents.

“No work is insignificant. All labor that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence.”
