You spoke and we listened! The PTO would like to invite you all out to join us for Family Literacy Night. There will be something for the entire family! Bring everyone for dinner, interactive clubs for your school age children, workshops for the adults, and child care for your infants and toddlers.

You don't want to miss this free opportunity for wholesome fellowship and networking. All you have to do is complete the form, tell us how many family members you are bringing to dinner, what your child's interests are, and which empowerment session you would like to join.

We strive to help bridge the gap between home, school, and community; with your help we can do just that!

We would love to have you join us for dinner so please complete the form on the back of this flyer and send it back to school with your child. If you have any questions please feel free to give us a call, email us, or place a message in the suggestion box in the front office.
