Photos from our announcement today and our FB live video.

Friend,

Today we had a great campaign announcement & campaign kickoff. Over 50 people attended and over 2000 people tuned in live on Facebook to hear about our vision for Charlotte's west side and how [I plan to preserve our history while also promoting new growth](#). Now it's time to help this campaign grow so we can share our message with others.

[I'm running for City Council in District 2](#) because as a neighborhood association president, I've proven I can bridge divides and find common ground with others from different backgrounds to create cleaner and safer neighborhoods while also fighting for equity in our west side schools.

As a West End Advisory Board member for Charlotte Center City Partners, [I've sat at the table with developers, educators, city staff and urban planning coordinators](#) to help find ways to bring jobs, events, development, and a better brand to District 2.

[I'm running for City Council in District 2](#) so our senior citizens do not get displaced by gentrification. I'm running so your voice can help our city.

Collectively, we can do so much more. I need your help to share our message with others. [Will you join me?](#)

-Justin
