MAMA'S DAY

BAIL OUT ACTION

Black Mama's in Charlotte need your help! On the week before Mother's Day this year, we plan to bail out as many Black mothers and caregivers as possible from the Charlotte Mecklenburg County Jail.

This action is 100% community funded so we need your help! Our goal is to raise **\$30,000**. If the average bail is set at \$500 we can free at least **60 Black mamas** to be with their families on Mama's Day! Your donations can set our Mamas free!

In addition to setting our mamas free, this action will support the base-building of local organizations working with communities on the frontlines of mass incarceration. It is an opportunity to support mothers (both birth, trans and other women who mother) who are entangled in the criminal legal system, highlight the need for bail reform, elevate the human costs of incarceration on communities and families, and raise community awareness, that leads to action about this issue.
