DONATIONS NEEDED TO FUND PARENT FORUM

SATURDAY, AUGUST 12, 2017 - 8 a.m. -1:30 p.m.

E.E. Waddell Language Academy, 7030 Nations Ford Road, Charlotte, NC 28217

This forum is part of My Brother's Keeper Program with a focus on educating parents on the importance of literacy and taking an active role in their education. Parents must learn how to support their child's literacy learning; how to effectively advocate for their child; learn how to be heard; how bullying and school discipline impacts their child; and have meaningful dialogues with their teachers and principals. This has been our focus for the last six years working in partnership with CMS, Community In Schools, UNC Charlotte and last two years with City of Charlotte, Mecklenburg County Commissioners, and Charlotte-Mecklenburg Association of Educators. **See attached flyer & registration form. My Brother's Keeper events are replicated throughout cities in North Carolina and are free to parents and students.**

We thank you immensely for your donations and know that you are helping parents who are in greatest need. We also donate scholarships for affiliates based on funds available. According to on-going research & data, children of color are not experiencing success in public schools locally or nationally. This can be changed by fixing the problems, educating parents, lobbying for effective school leadership, teaching with a purpose, and having high expectations for students. **Questions: 704.817.7551 or 425.443.4224 - (501 © 3 Nonprofit Organization)**
