

Monday, July 10, 2017 10:53 PM

I just wanted to pass on this final report to the members. The camp went very well. We had more participation of young men and women of color. We qualified 4 Boy Scouts for their Aviation Merit Badges. Wendy's supplied the lunches for all of our students. And the surveys coming in say the kids had a fun time.

A few are signing up for the Civil Air Patrol and at least seven requested orientation flights. Which are free through Young Eagles EAA.

Some of our TMBF police members were there with 15 students. Donations helped a great deal.

Please ask members to read the After Action Report attached. I am back to flight instructing at FlyRight. See you all soon. The next camp is planned for October. More information to come.
