Good News!

We are now opening up this Saturday's Grind 2 RISE College Preparatory Program to ALL high school students as they prepare to start the 2017-2018 school year off strong!

High school students are invited to come and get ahead of the game and come gain tips and skills that are necessary for success in high school and college! The G2R Program prepares students for college and beyond by giving them the tools they need to succeed to their full potential in high school.

Our G2R event on Saturday July 29th will include special guests who will provide tips on how to start off this upcoming new school year, testing strategies, scholarship information and timeline of things students can use as a guide in preparation of graduation - You don't want to miss out on this opportunity to gain first hand knowledge!

To register to attend, you **MUST RSVP** by replying to this email with the following information - student's name, grade, school and phone number. **The NEW deadline to RSVP is Friday July 28th by noon.** Please see flyer for additional information and share with others (please note the flyer still says it is just for juniors and seniors but it is now open to ALL high school students).
