## **SPONSORS**

The West End Family Fest is an event that embodies the very essence of what Champions for Justice is about. Our overall mission is to provide our community with the tools they need to not only survive – but to flourish. Lack of basic financial knowledge, intangible learning resources in the community about healthcare and higher education opportunities, and general lack of knowledge keeps our community in the dark about how to actually get ahead. CFJ wants to help walk our community members step-by-step to getting these resources and educating them about how to use them.
