A YEAR OF IMPACT

2017 ANNUAL
REPORT

In 2016-2017, Profound Gentlemen served 225 male educators of color across the country. 80% of Gentlemen had a student group, serving approximately 1,800 boys of color. **We are excited that 100% of our Gentlemen are returning to the education profession the fall of 2017!**

A BIG WIN FOR PG!!!

Profound Gentlemen (PG) received a grant from the William R. Kenan, Jr. Charitable Trust! **PG was awarded \$200,000 to support a 2-year plan to develop, support, retain over 150 amazing educators across North Carolina.**

PG's goal is to provide role models for young boys of color. We do this by helping male teachers of color be more successful in the classroom. Boys of color do not have many role models that they can connect with to encourage them in school. Only about 2% of teachers in the U.S. are Black males, that means that many students of color will go through school without ever having a teacher that resembles them.

The Kenan Charitable Trusts primarily focuses on addressing problems in education and has worked to support many non-profits. Check out the wonderful work they have done supporting the [Lexington Leadership Foundation](#) which focuses on providing positive role models for children who live without their fathers.

WELCOME TO THE TEAM

This month we welcomed three new members to the PG Team:

Dominique Stone (left) will serve as our Program Innovation Manager. Dominique will assist in program and partnership development. We also welcomed two new Board Members: Tifini Floyd (middle) and Juan Lascano (right). Tifini & Juan will bring their experiences from the corporate community and the classroom to further PG's mission & vision.

Q&A WITH A PG EDUCATOR

Profound Gentlemen, **Eddison Wilkinson**, sat down with intern, **Carlos** to **discuss his feelings about the upcoming school year**. We are very excited for all of our teachers who will be returning to school, and can't wait to see what they all do this year!
