First Reason That Darrell Bonapart is the Most Qualified Candidate for City Council District 5!

As you know the City Council District 5 election is very competitive. After hearing from the candidates on several occasions I have discovered 5 reasons for supporting Darrell Bonapart as the best candidate for City Council District 5. The first reason is::

1) As a veteran of the United States Marine Corps I have a deep level of **respect for Darrell Bonapart's military experiences**. He served **2 years in support of Operation Iraqi Freedom** and during his time of service he suffered a severe injury that left him temporary paralyzed. Darrell's military experience also included his **service as a Platoon Sergeant which also broadened his leadership skills**. Mr. Bonapart fought diligently to protect and serve our country. After returning from Iraqi Freedom, **Darrell fought for the veterans that were homeless in efforts to give them the benefits that they deserve for protecting our country**. Darrell currently **serves as the Commander of the American Legion here in Charlotte**. He also serves as the **Chairman of the Board of Directors for the North Carolina Military Veterans Hall of Fame, which is also headquartered here in Charlotte**.

Thanks and Love,
