**Hello Friend and Citizen of the Charlotte Area,**

**Hello Friend and Citizen of the Charlotte Area,**

**Hello Friend and Citizen of the Charlotte Area,**

Friends,

Early voting has started. One candidate in District 2, Eric Erickson, has demonstrated a willingness to connect and communicate with all the citizens of District 2 and the city of Charlotte. Erickson has shown a commitment to engage in dialogue with those who are impacted directly by Government and business

decisions. Eric is not beholden to any special interest group. Eric is beholden and committed to the people. He is beholden to the senior facing loss of their lifelong homes to gentrification. The unemployed and underemployed seeking employment and career enhancement. Those who desire to live in safe communities and those who lack affordable living and housing. There are some areas in District 2 that are plagued with food deserts. He understands that solutions require the engagement of the people, corporate leaders, Government officials, non-profits, and religious leaders.

Eric understands and he also lives by the philosophy offered by Dr. George Washington Carver, "it is not the style of clothes one wears, neither the kind of automobile one drives, nor the amount of money one has in the bank, that counts. That means nothing. It is simply service that measures success."

Sincerely,

Brandon A. Miller, MPA  
Campaign Manager

Dear District 2 Citizens and Businesses,

My name is Brandon A. Miller as a Educator in the Cabarrus County School System for many years. I have the esteemed privilege to represent Mr. Eric Erickson as his campaign manager. I have known Eric for over twenty-five years and I grew up in District 2 off of Winchester Street. I have seen the man and candidate evolve and witnessed the changes to the District 2 Corridor right in front of me.

I personally believe that Eric is the right fit to be the City of Charlotte's District 2 Representative because he has District 2's interest first. Eric is not about talk or flashy speeches, Eric is about action and doing the work of the District. Eric is the only candidate that has experience in public servitude with working close to twenty years in law enforcement.

Eric has a clear community-centered platform:

- **Public Safety**
- **Community Education**
- **Economic Development**

District 2, this election is critical and the issues that surround District 2 can not and should not be ignored. One of Eric's opponents stated that he did not feel that gentrification could be stopped. Eric firmly disagrees with that statement. Eric, is no stranger to social action and coalition building and will bring a comprehensive community education initiative to the residents to inform and empower residents against predatory agents seeking our residents' homes. With his 20+ years of law enforcement experience, Eric knows the value of community policing and keeping our families safe. The best way to keep our families and businesses safe, ensure that our community members are employed. Eric is a "Community Quarterback" and he continues working with local businesses that are willing to create a pipeline for employment through paid training, personal mentoring, and job placement.

Why do I stand with Eric Erickson?

Mr. Erickson is a man of great character, conviction and truly cares about District 2 and their needs. He is an American Hero who is willing to put his life on the line. Most importantly, he is not a person that will tell you what you want to hear or make

up an answer, he has done his homework and will keep given you the best possible outcomes. We need his leadership and his ability to build strong communities. As a proven leader that does not just focus on affordable housing. Eric's attention is on your family, quality of life, and affordable living.

Vote Eric Erickson September 12th.

God Bless,

Brandon A. Miller, Eric Erickson for District 2 Supporter
